

Save the Florence Depot!

For more than 100 years...

..the Santa Fe Depot has been a landmark in Florence. Over the decades, thousands of huge locomotives have chugged into Florence bringing countless passengers to rest and dine at the Harvey House and visit the beautiful Flint Hills.

Through our efforts BNSF has taken the depot off of the demolition list. Now our goal is to acquire the depot and ultimately restore it. We need to raise about \$6,000 to acquire the depot and fence it away from the tracks. We have started a fund and have more than \$1,100 so far

Your contribution will help us restore this piece of history.

A Save the Depot fund has been established at the Cottonwood Valley Bank in Florence.

Make your check payable to:

Florence Historical Society– Save the Depot

And mail to:

Cottonwood Valley Bank

PO Box 38, Florence, KS 66851

Please help us save the depot.
