ENTERTAINMENT BIOS

THE GREENHORNS

What do you get when you cross five guys steeped in 60's, 70's, and 80's country, Chicago blues, rock and roll stage shows, and campfire crooning? THE GREENHORNS! The Greenhorns play a mix of old country, bluegrass classics, and a lot of good ol' songs you may not have heard since you scratched your daddy's records. Band members are: Kim Schmidt (fiddle), Rollin Schmidt (dobro/guitar), Dan Carlson (banjo), Jerry Jones (upright bass), Gregg Eichorn (guitar/vocalist).

JAMMIN' BISCUITS

The Jammin' Biscuits play gospel and traditional bluegrass. Members of the group are Gerry and Tracey Roberts, Tom Unruh, Nick Johnson, Gary Roberts, and Lawrence Ressler.

SHARON RUSH BAND

Led by the sultry lead vocals of Sharon Rush, the band has been playing a mix of contemporary and traditional blues for eight years. Artists they cover – when not playing their own original music – BB King, Susan Tedeschi, Aretha Franklin and Janis Joplin. Band Members are: Sharon Rush (vocals/percussion), Wayne Avery (guitar/vocals), Donn Lentz (bass/vocals), Jamie Matchett (drums/percussion), Dustin Lentz (keys).

REINTARNATION

Reintarnation is a group of friends who discovered each other and decided to live a bit of a dream and play music. Music varies from country to classic rock to folk to Americana to Bluegrass. Yes, the old hippies have returned as Hillbillies and are ready to rock out the house.
